Summary

I am an IT professional with a Bachelor's in Computer Science and a
Master's in Information Technology, blending strong technical skills
with a passion for continuous learning. My expertise includes HTML
for Front-End Development, Python programming, SQL, and version
control systems like GIT/GITHUB. Additionally, I hold an Honor's
Diploma in Computer Application with proficiency in MS Office, Tally,
C, and C++.

I am eager to leverage my quick learning and teamwork skills in new
job opportunities, aiming to grow my technical abilities and contribute
to innovative solutions. I am also focused on overcoming challenges,
including stage fear, and am motivated to excel in the IT field.
